Antique amber color. Mature aromas of candied fruit, ripe berries, and black currants, nicely interwoven with toffee, dates, vanilla, and almonds. Reminiscent of aromas found in a candy shop. Fairly rich body, and smooth. Nice balance of flavors, with a gentle sweetness and oaky dryness throughout. An even-keeled whiskey. There are notes of candied fruit, ripe berries, vanilla, marzipan, and dates, with suggestions of sweet corn, vanilla, charcoal, and cinnamon. Becoming dry with a mature finish.
