

High West Double Rye

46%

A blend of two straight whiskeys: a very young 2 year old high rye content whiskey and a 16 year old rye whiskey with a lower rye content. Perhaps the spiciest American whiskey I have ever tasted, yet at the same time, quite tame and mellow. Complex notes of mint, clove, cinnamon, licorice root, pine nuts, and dark chocolate, with a surprising dose of gin botanicals throughout. A soft underbelly of caramel, sweet corn, and soothing vanilla provides an interesting counterpoint. Very easy-drinking, too (hard to believe it's 46%). Intriguing, and a must-try for rye whiskey aficionados — even if only to satisfy your curiosity.
